General Guidelines

1. Completing the Organizer

This organizer is how we gather information in order to prepare your tax returns accurately. It is important that you make every effort to complete the organizer in its entirety. If there is missing information it may adversely impact your return, as well as delay our processing time.

All facts and figures that you place on the organizer must be true and correct (**do not round up or down**) and you must be able to substantiate them according to IRS guidelines. However, **there is no need for you to send all of your receipts** along with your completed organizer.

If you have questions, call us at 800.400.1829.

2. Mail (or Fax) us your tax information and organizer

If you mail us your information, take a copy of all forms that you send to us for your personal records. The organizer you fill-in and mail to us will not be returned to you, as it will become part of your tax file held at our offices. All tax forms (W-2s, 1099s, etc.) that you send to us will be returned to you along with any receipts unless we are required to attach the forms to file with the returns. When mailing us your organizer and tax forms please use a traceable type of mailing. These include express/priority mail USPS, FEDEX, UPS, etc. When we receive your package we will notify you by e-mail, or phone.

Mail To: Rarick Financial Group Fax To: (888) 658-3531

The phone interview will take approximately 30 minutes to complete.

While we are processing your return you can contact us by phone at 800.400.1829 If we find that there is missing information we will notify you with a phone call or via e-mail.

Tax Preparation Fees

Preparation of Federal Tax Return:

Itemized	\$ 300.00
----------	------------------

Preparation of State Tax Return (Per State):

Before February 15th	\$ 25.00
----------------------	-----------------

Between February 16th & March 15th	\$ 50.00
------------------------------------	-----------------

Between March 15th & April 18th	\$ 75.00
---------------------------------	-----------------

IF you are no longer a travel nurse and work at a single location you are still allowed certain deductions. We would like to continue our relationship with you. The preparation fees are as follows:

Preparation of Federal Tax Return	\$ 225.00
-----------------------------------	------------------

Preparation of State Tax Return (Per State)	\$ 25.00
---	-----------------

REFERRALS

We believe that the biggest compliment you can give us is referring us to a co-worker, family member or friend. We will show our gratitude by reducing your next years (2017) preparation fee by \$30 for any new business you refer.

Note: The total price of prepared returns may be higher for exceptional circumstances (e.g., rental income, side business, independent contractor, stock sales, home sale, etc.). Spousal income may be subject to an additional \$50 charge depending on complexity. While the total price of prepared returns is figured on a case-by-case basis, this schedule is accurate for the vast majority of traveler tax returns. The shipping and handling charges are the same regardless of individual tax circumstances, unless excess bulk requires additional expense.

Tax Home Qualification Test

In order to qualify as travel expenses, the expenses must be incurred while away from home overnight (which means the taxpayer must be away from home for work substantially longer than an ordinary day and, while away, needs to get substantial rest or sleep to meet the demands of the job (not just a pause or brief interval)). They must stay away from their home for at least one night (Rev. Rul. 75-170).

- | | | | |
|---|---|--|--|
| 1 The taxpayer must be away from the tax home which is: | <u>Yes</u> <u>No</u> | | |
| a. In the metropolitan area where his/her regular or principal (if more than one regular) <u>PLACE OF BUSINESS</u> ; or | <table border="1" style="display: inline-table; width: 60px; height: 20px;"><tr><td style="width: 30px;"></td><td style="width: 30px;"></td></tr></table> | | |
| | | | |
| b. The taxpayer's regular place of abode (if the taxpayer has no regular or principal place of business) | <table border="1" style="display: inline-table; width: 60px; height: 20px;"><tr><td style="width: 30px;"></td><td style="width: 30px;"></td></tr></table> | | |
| | | | |

2 Local lodging is normally not deductible. However, pursuant to Prop. Reg. 137589-07 (IRB 942 2012-21) expenses for local lodging of an employee that an employer provides to the employee or requires the employee to obtain are excludable if: (1) the lodging is provided on a temporary basis; (2) the lodging is necessary for the employee to participate in or be available for a bona fide business meeting or function of the employer; and (3) the expenses are otherwise deductible by the employee, or would be deductible if paid by the employee, under section 162(a).

3 When a taxpayer has no principal place of business but changes work locations constantly (e.g., Travel Nurse), the IRS has adopted the following tests to determine whether the taxpayer's abode qualifies as the tax home (Rev. Rul. 73-529):

- | | | | |
|--|---|--|--|
| a. Does the taxpayer perform a portion of his business in the vicinity of the claimed abode and use such abode (for purposes of lodging) while performing business there? | <table border="1" style="display: inline-table; width: 60px; height: 20px;"><tr><td style="width: 30px;"></td><td style="width: 30px;"></td></tr></table> | | |
| | | | |
| b. Does the taxpayer incur duplicate living expenses at the claimed abode and where he is currently required to be working? | <table border="1" style="display: inline-table; width: 60px; height: 20px;"><tr><td style="width: 30px;"></td><td style="width: 30px;"></td></tr></table> | | |
| | | | |
| c. Has the taxpayer abandoned his main home, had a member or members of his family (marital or lineal) living at the main home, or used his claimed home frequently for lodging? | <table border="1" style="display: inline-table; width: 60px; height: 20px;"><tr><td style="width: 30px;"></td><td style="width: 30px;"></td></tr></table> | | |
| | | | |

If the taxpayer meets all three of the above factors, the tax home is the taxpayer's residence. If only two of the factors are met, the taxpayer's tax home is based on the facts and circumstances. If only one of the factors is met, the taxpayer is a transient and has no permanent tax home.

****WARNING: If the taxpayer has neither a principal place of business nor a principal place of abode, then the taxpayer is considered to be transient and has no "tax home." Accordingly, there can be no travel away from home overnight, and no deduction for travel expenses.**
